 **WAYS TO GET INVOLVED**

SPONSOR THE EVENT

While investing in PNA benefits our children and the larger community, it also presents a unique marketing opportunity. Exposure to the distinguished parent, alumni, and community supporters of PNA gives businesses wide visibility to a target population. PNA supporters are loyal to donors who support the school, often becoming customers who return, year after year.

ATTEND THE PARTY!

Join us for a fun evening to include a silent and live auction, games, raffles, live music, dinner and drinks. Individual tickets are \$200.

 **WHO WE ARE**

Preschool – 8th grade education and
Create Academy Summer Camps

 **OUR MISSION**

We educate students to be
exceptional learners
and independent thinkers of
vision, courage, and integrity.

 **ABOUT PNA****PROGRESSIVE EDUCATION**

Children thrive in experiential and interactive learning environments, rather than sitting stagnant memorizing information. As such, we believe students should authentically demonstrate what they have learned independently and collaboratively through research projects, writing, conversing, presentations, and performances, as well as ongoing teacher assessments.

PROJECT BASED LEARNING

PBL units encourage students to become active participants in their education to become masters of their research, develop a diverse skill set, and build a growth mindset. More importantly, PBL projects lead to authentic, enjoyable learning experiences that stick with kids long after they're over, helping our students realize their power as independent thinkers.

SOCIAL AND EMOTIONAL LEARNING
We foster a school culture centered on inclusivity, where students' social and emotional needs are taken into account daily.
