Clarity

IMPORTANT TIPS BEFORE YOU BEGIN

- Make a list of the schools you're applying to. Be sure to note their deadlines (both admission and financial aid) and requirements.
- You only need to complete one Clarity application per household. Your application will cover any number of schools using Clarity and any number of children in your household.
- Gathering documents and information like your most recent tax documents can help you complete the application.
- Throughout the application you will see this symbol: ⓘ Hover your mouse or tap your finger on this symbol to see helpful tips and explanations.
- Be sure to monitor your Clarity portal throughout the application process. Schools may require additional documents—those requirements will be displayed in the "Document Requests" section of your portal.
- While the Clarity application is designed to be easy enough to fill out in one sitting, you can save your work at any time and come back to it later. Be sure to always click the "Save and continue" button at the bottom of the page to save your work.

THE PROCESS

Complete the application

- Click "Continue Application" from your portal Home page to begin or continue your application.
- Complete your biographical information. add applying students and indicate which schools you're applying to.
- Sign and submit a tax verification form to give Clarity permission to pull your prior year tax returns. This means you won't need to upload any of them yourself!
- Complete your financial information.
- NOTE: The responsive application will shift the questions you see based on your answers, kind of like TurboTax.

Pay and Submit

- The Clarity application fee is $65 and covers all the Clarity schools you're applying to and any number of children in your household.
- Once you submit your application, you will not be able to make changes to your tax filing status, indication of if you do or do not receive a United States W2, and information entered on the IRS tax verification form. Make sure you have indicated accurate social security number(s) and exact address used for filing of your 2025 taxes to avoid errors and delays.

Upload any extra documents

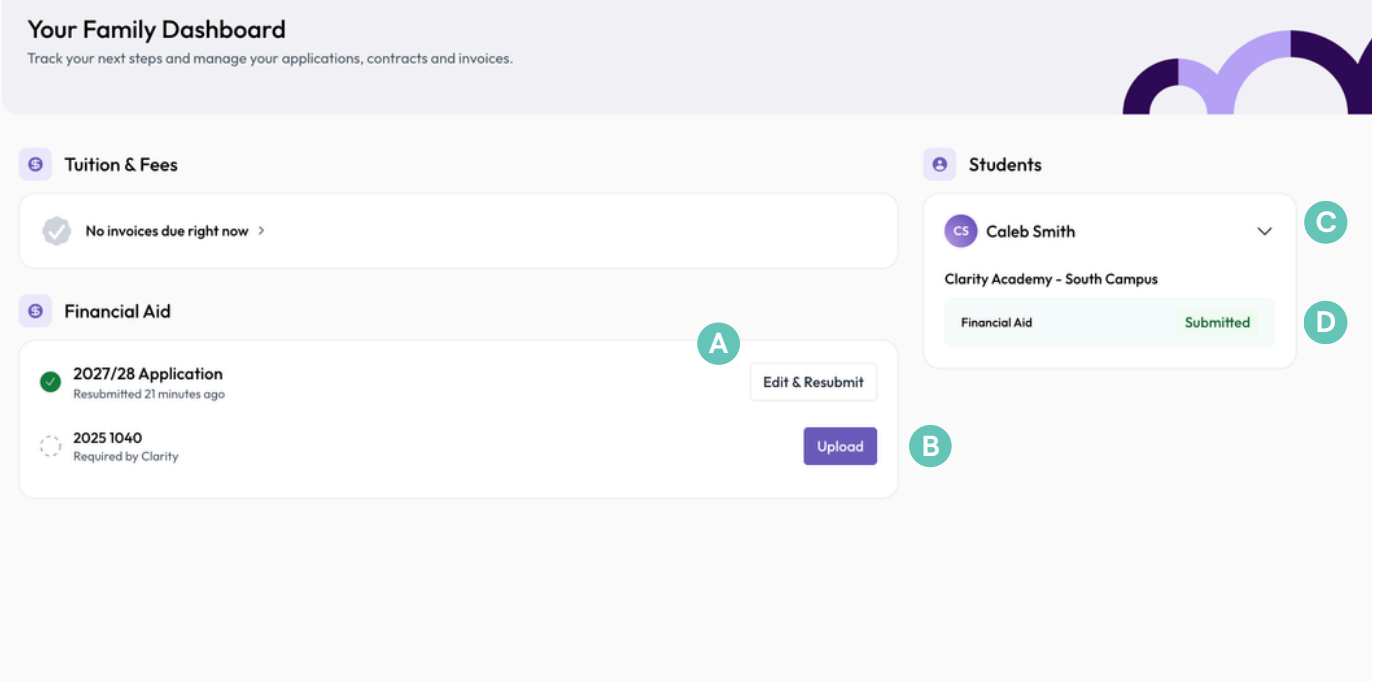

- Schools may require additional documents in addition to last year's taxes.
- Check the "Document Requests" panel on your portal to see what you need to upload.

Before you begin

YOUR PORTAL HOME

From your portal homepage, you can:

- Access your application
- Review any additional document requirements
- Manage and upload documents
- View your student(s) and application status(es)

A Click to continue your application in progress

B View document requirements and upload

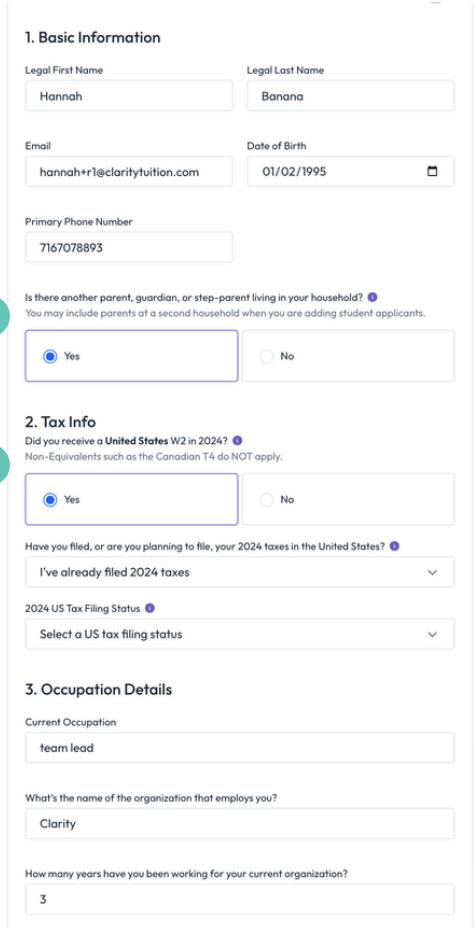

C View your applying students

D Monitor your application status at each school you are applying to

Step 1: People

PARENTS OR GUARDIANS

- Every living biological parent and legal guardian will need to submit their information for an application to be considered complete.
- Start by telling us about yourself.
- Then list any additional parents or guardians living in your household.
- Later, you will have the opportunity to invite parents and guardians from outside of your household to create their own account and fill out a separate application.

A If you received only a 1099 in your most recent tax year, answer "No" to this question.

B Only answer "Yes" to this question if there is another parent or guardian living at your same address. If you are divorced or separated, answer "No". You will be able to add additional guardians living outside your home later in the application.

PARENTS OR GUARDIANS CONT.

- Complete Occupation Details for each parent or guardian.

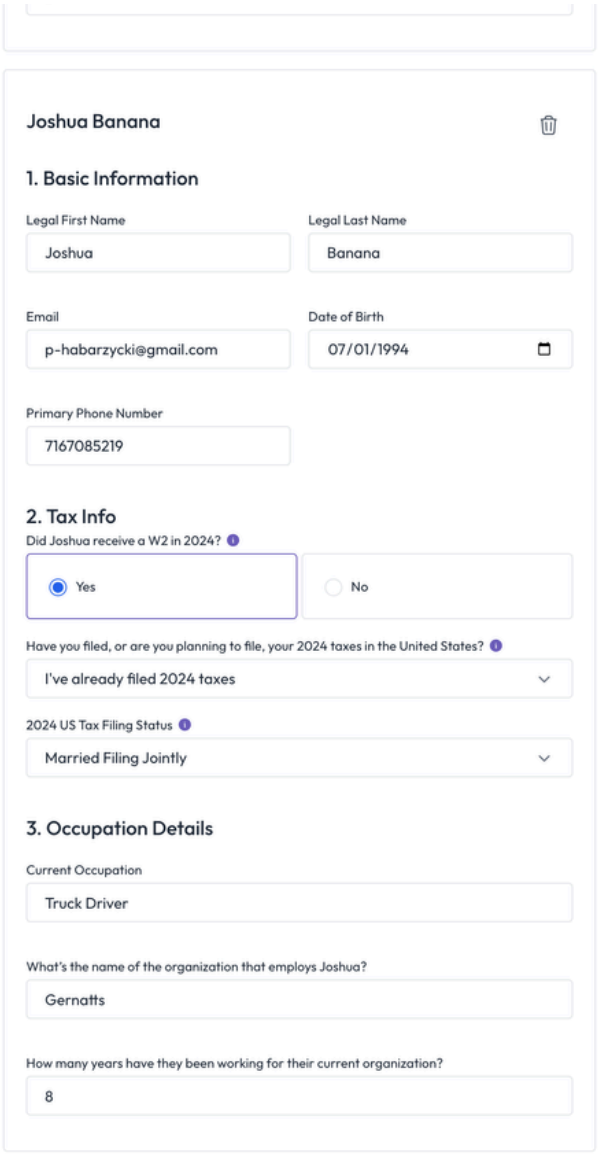

A. What is your current occupation? Enter "N/A" if not applicable.

B. What is the name of your current employer? Enter "N/A" if not applicable.

C. How many years have you been working for your current employer? Enter 0 if not applicable.

SECOND PARENT OR GUARDIAN

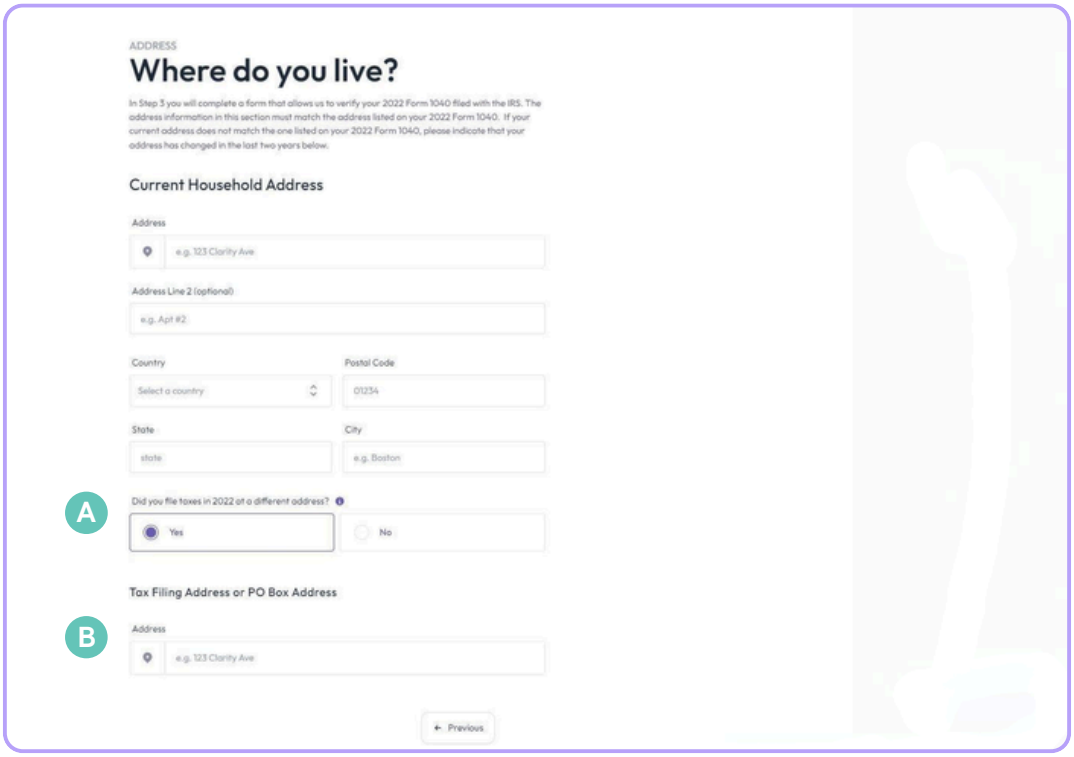

- If you answered "No" to an additional parent or guardian living in your home on the previous page, you will not see this step. Move to the next page of the guide.

Step 1: People

ADDRESS(ES)

- Later in the application—during Step 4, "Verification"—you will complete a tax verification form that will allow us to verify your most recent Form 1040 filed with the IRS.
- The address information in this section must match the address listed on your most recent Form 1040.
- If your current address does not match the one listed on your most recent Form 1040, please indicate that your address has changed in the last two years in this section.

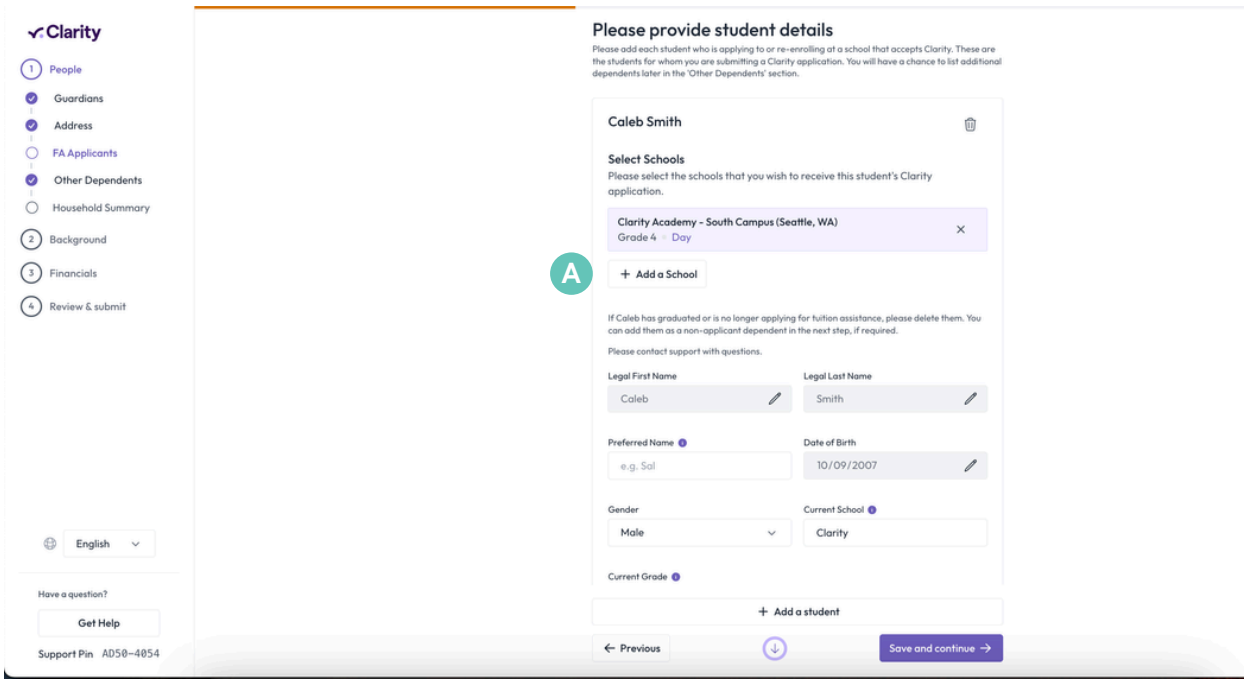

A Indicate here if your address has changed in the last two years.

B Enter the previous address that matches the address listed on your most recent Form 1040.

Step 1: People

STUDENT APPLICANTS

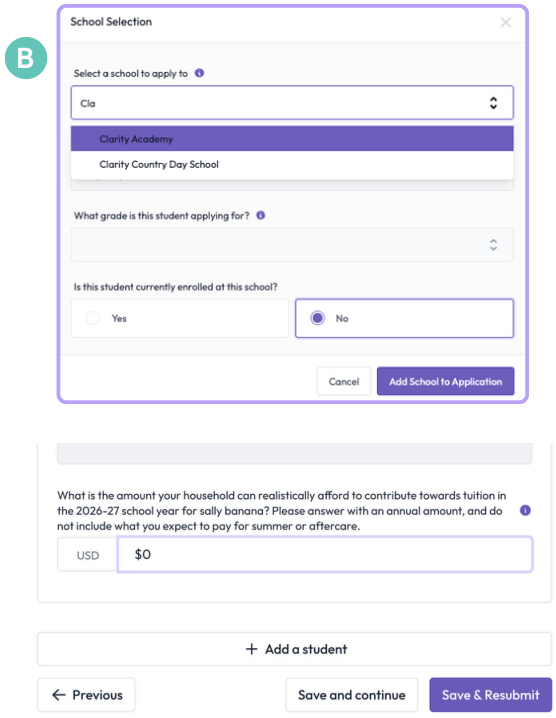

- Only list students here who are applying to or re-enrolling at schools who accept Clarity applications.
- You will be able to add additional dependents later in the next section.

A Add all schools that Student 1 is applying to. Your Clarity application will be sent to each school that you add.

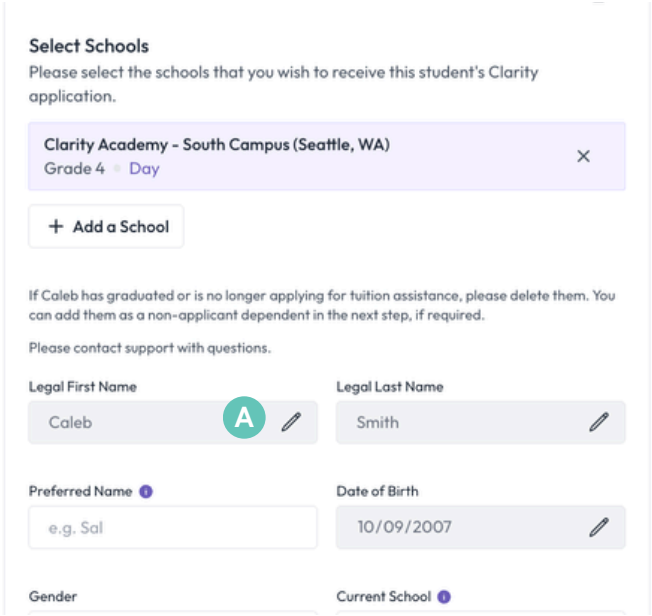

B In the "Add a School" window, start typing the name of the school you wish to add. Or, click the ⇕ symbol to scroll through a full list of schools that accept Clarity applications.

C Estimate the amount you can pay for Student 1 next school year.

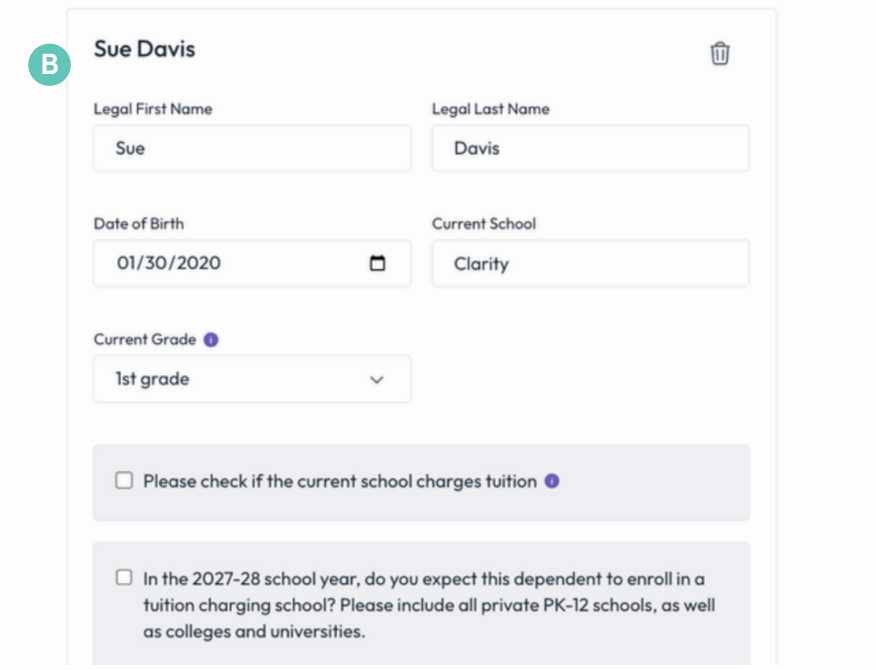

EDITING STUDENT APPLICANTS AND OTHER DEPENDENTS

- Be sure all details for your student applicants and other dependents are correct before submitting your application.

A Once you've added one or more students, use the pencil icon next to their name or date of birth to make any edits.

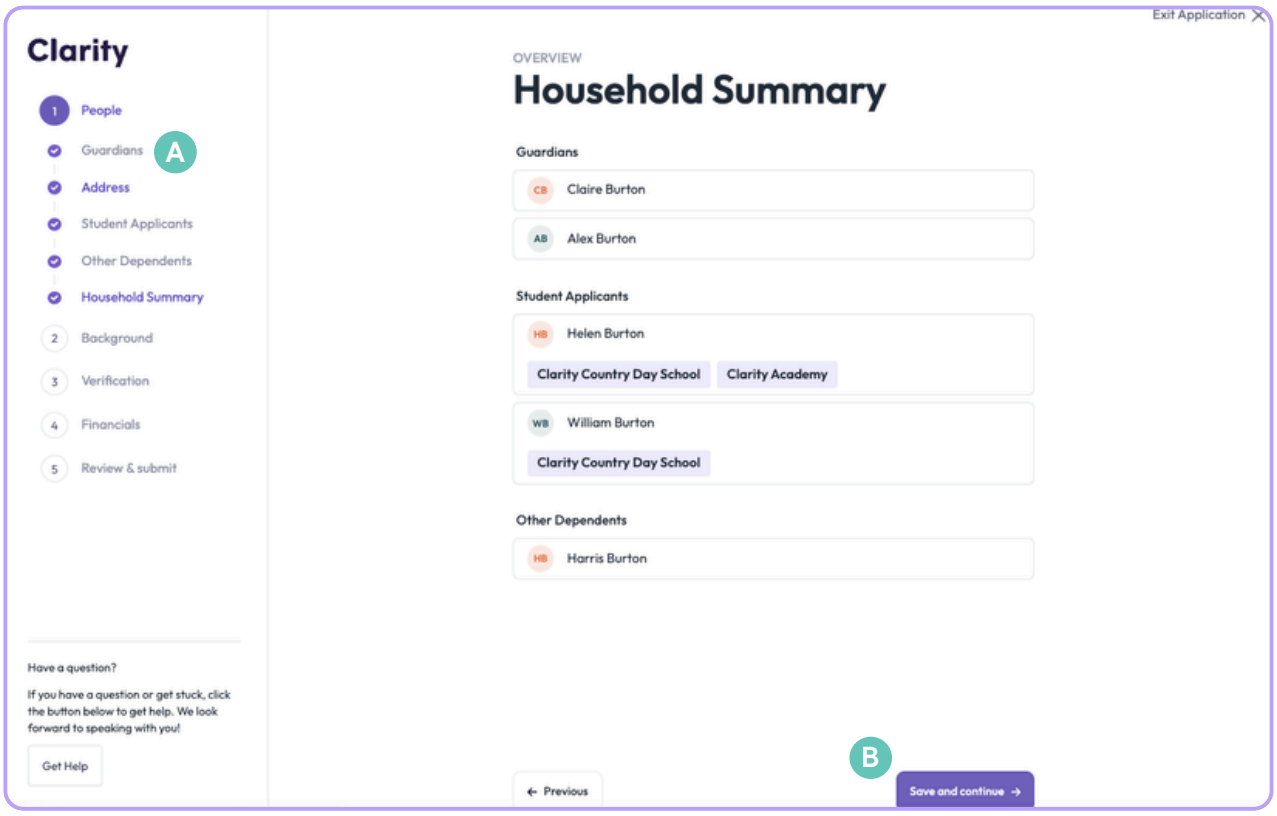

B Be sure to add all dependents claimed on your most recent tax returns who are not already listed as a parent, guardian or student applicant. Scroll to the bottom of the page to find the "Add Another Dependent" button, if needed.

Step 1: People

HOUSEHOLD SUMMARY

- Use this summary step to review the information you've submitted so far.
- Be sure there are no errors or omissions here before proceeding.

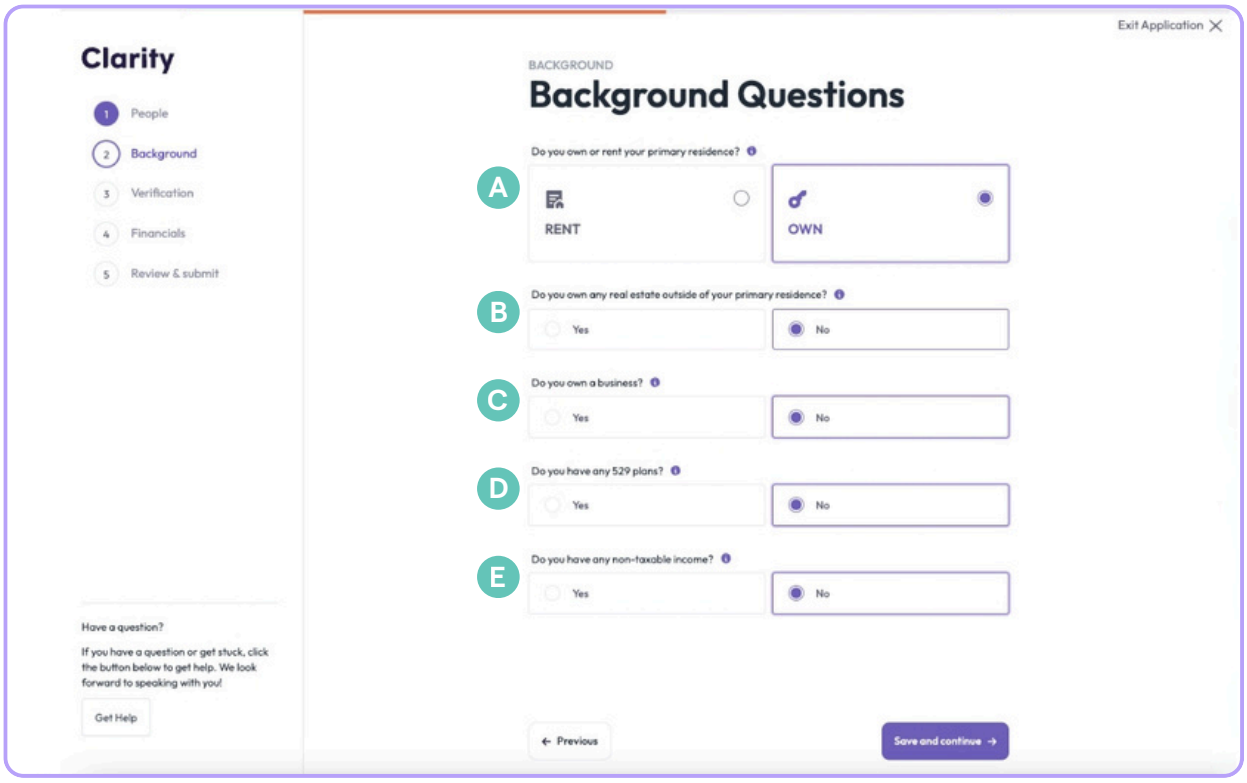

A Click on the name of any section in the left navigation to jump directly to that section and make changes.

B Be sure to always click "Save and continue" at the bottom of any page after making changes. If you click to jump to a different section without clicking "Save and continue" first, your changes will not be saved.

Step 2: Background

BACKGROUND QUESTIONS

- The questions on this page will help streamline the application for you. To ensure we're asking questions that are relevant to you and your circumstances, the answers you provide here will impact the questions you see later in the application.

A Your "primary" residence is where your family lives for more than 50% of the year.

B Include all real estate, including land, vacation homes, investment properties, etc.

C Answer "yes" if you own 1% or more of any corporation, partnership, LLC or sole proprietorship.

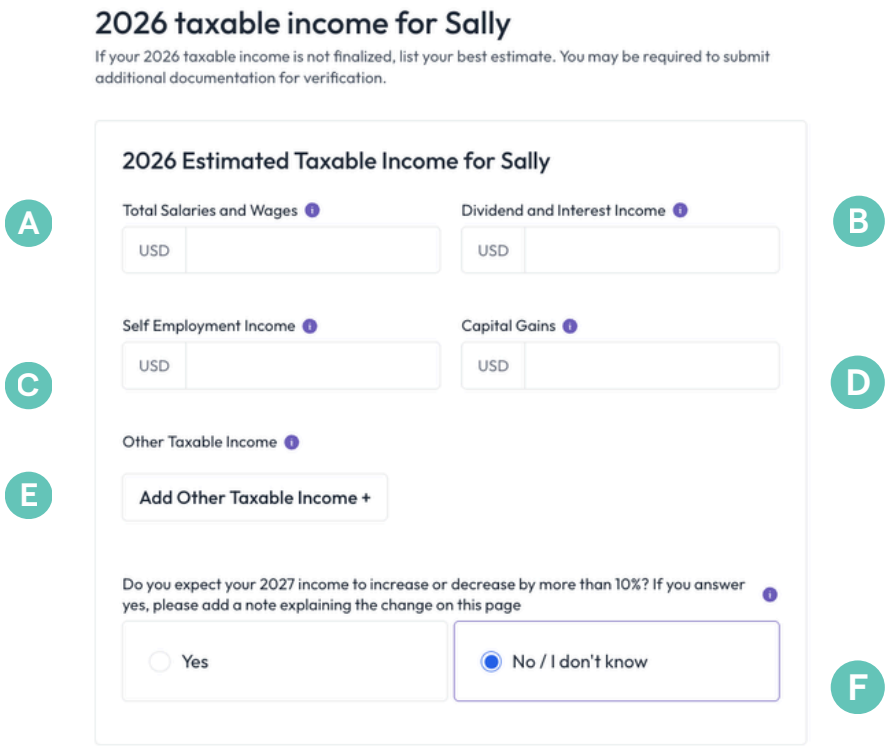

D A 529 plan is a tax-advantaged account that can be used to pay for qualified education costs, including college, K-12, and apprenticeship programs. Answer "yes" if there are any plan(s) your name, your spouse's name, or in any of your dependents' names.

E This includes all income reported as non-taxable on your most recent tax return. Examples include child support and social security.

Step 3: Financials

Step 4: Review & Submit

OTHER CONSIDERATIONS

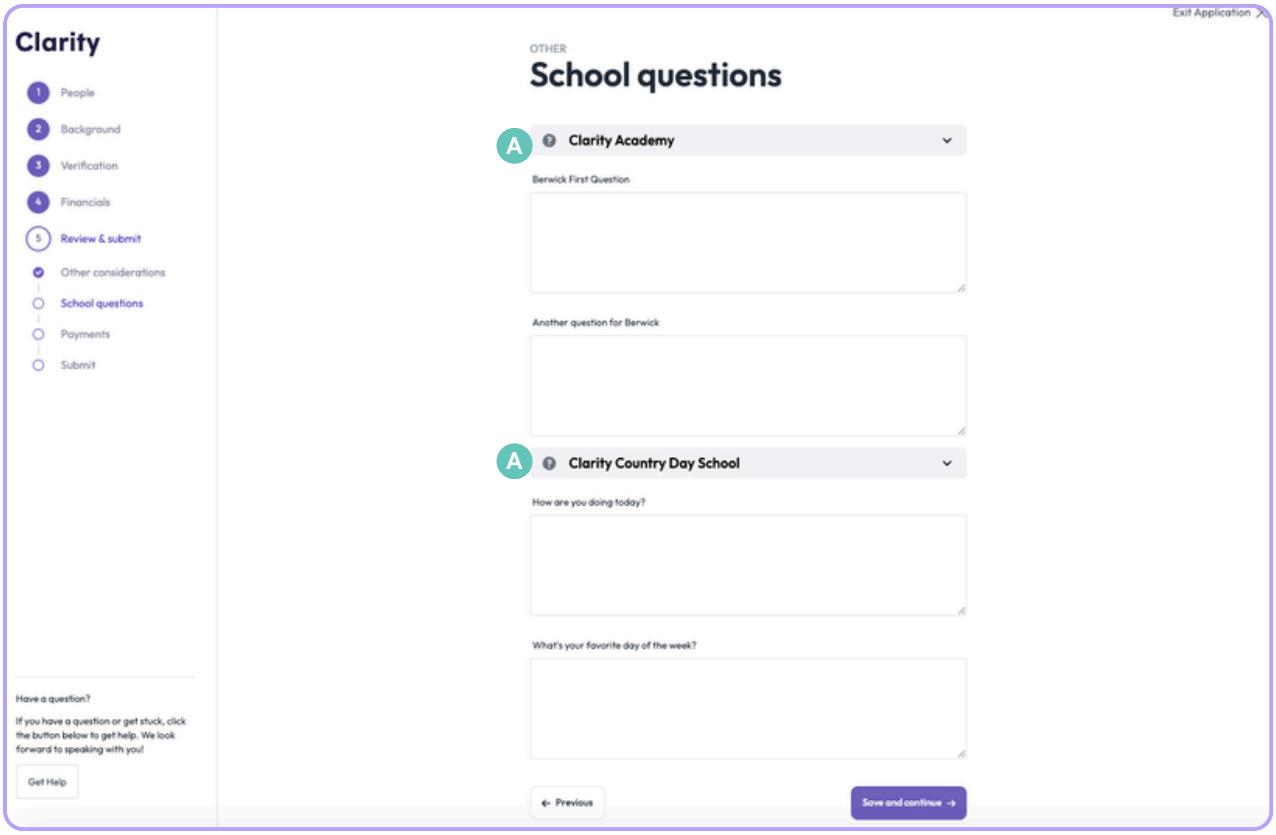

- Please list outside sources such as friends, family, or grants that will be contributing to your tuition payments.
- Please include any additional information that may be important to share with the schools to which you are applying

Step 4: Review & Submit

SCHOOL QUESTIONS

- Sometimes, individual schools have additional questions for their applying families.
- If you see questions on this page, that means a school you're applying to would like you to answer their additional question(s).
- The school name labels indicate which school is asking the additional question.

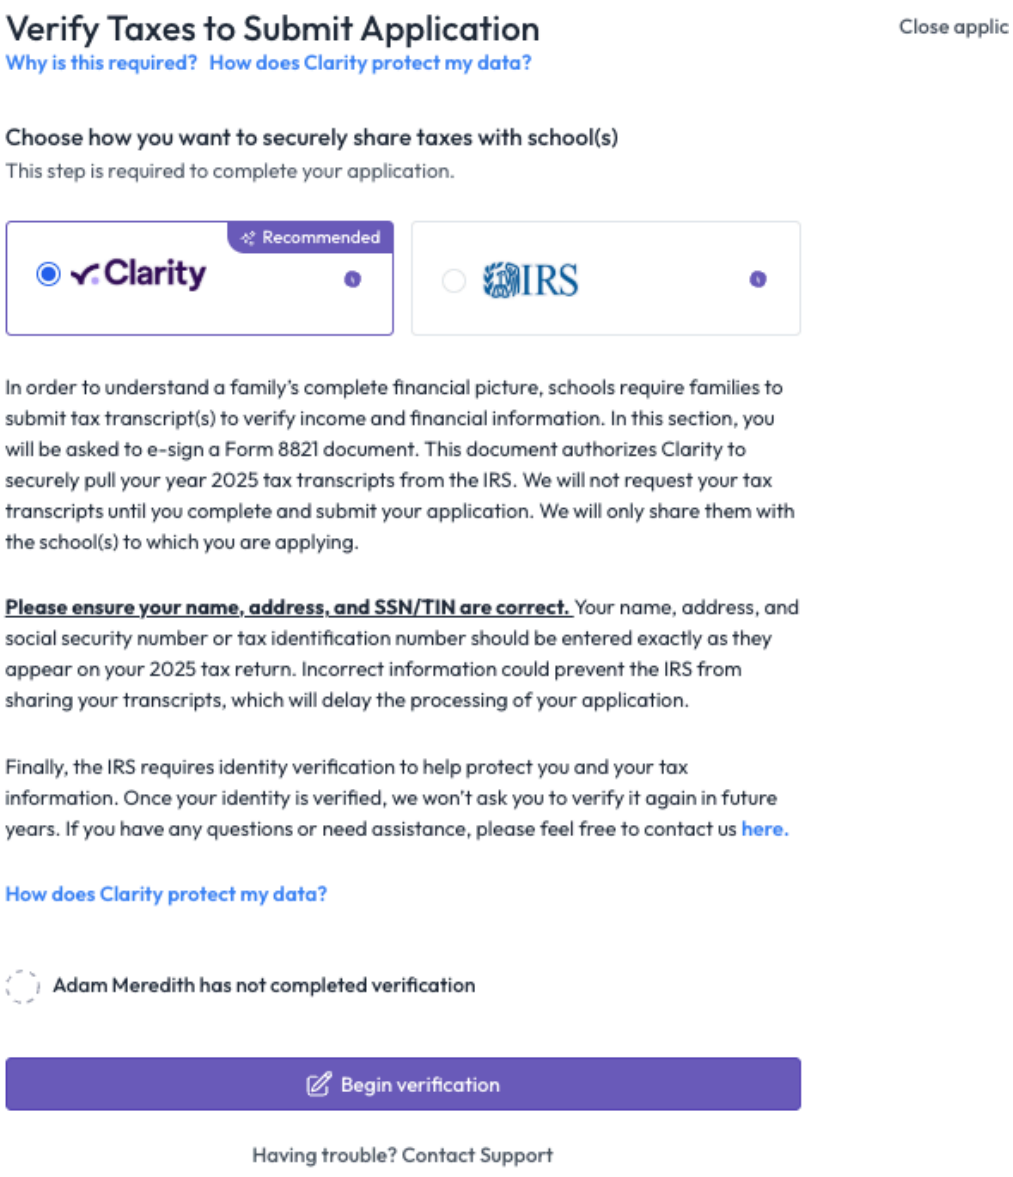

A Header indicates which questions come from which schools.

Step 4: Verification (cont)

ENHANCED TAX VERIFICATION

- Clarity uses best-in-class security to safeguard the information you share with us while making the application process intuitive and efficient for families. You will be prompted to select how you authorize Clarity to access your taxes from the IRS.
- If you select the Clarity method, you will sign some tax authorization forms and do a quick identity verification.
- If you select the IRS method, you will need to make sure all guardians on the application have an account with irs.gov. If you don't already, you will need to create one first.

* NOTE: For families that went through the Clarity method last year, you will likely not need to repeat the process at all, as you authorized us to pull your taxes in future instance of applying.

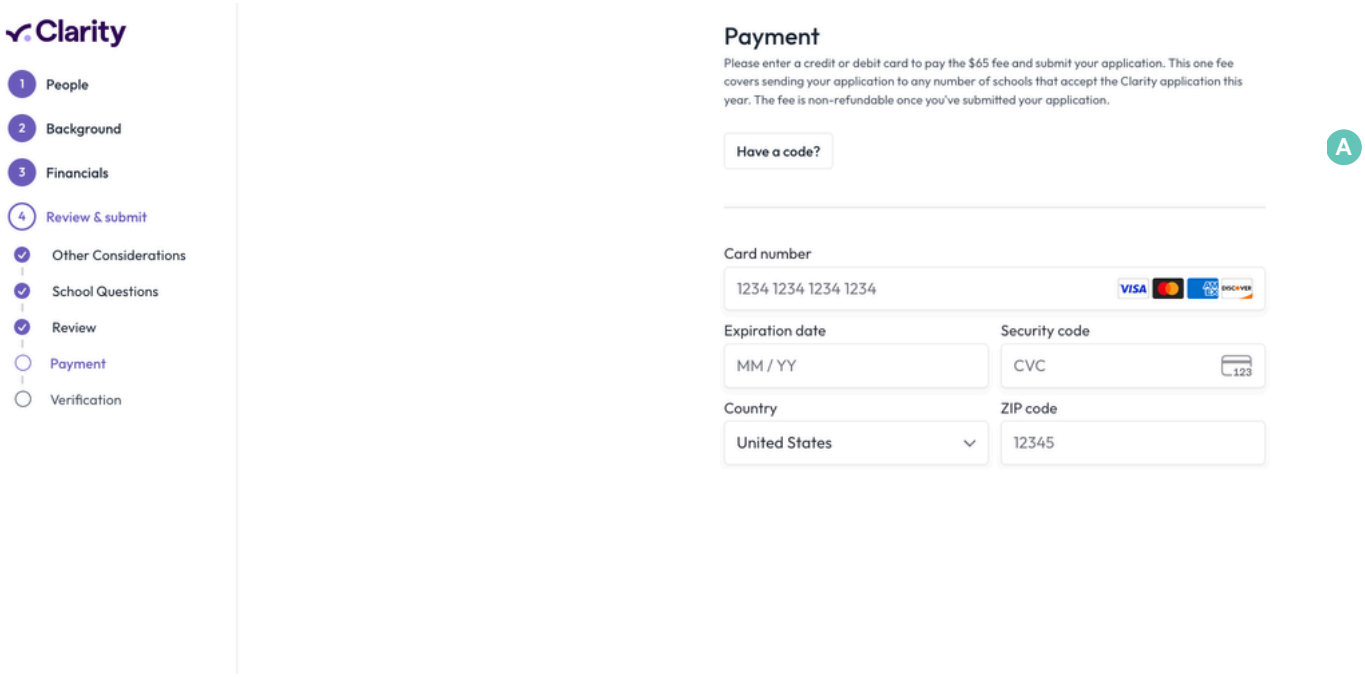

If you have any questions around the tax verification process, please refer to the Tax Verification Family Guide found in our help center.

Step 4: Review and Submit

PAYMENT

- The fee to submit your Clarity application is $65.
- The fee is a flat fee, meaning that it does not change whether you apply for one or multiple children, and to one or multiple schools.

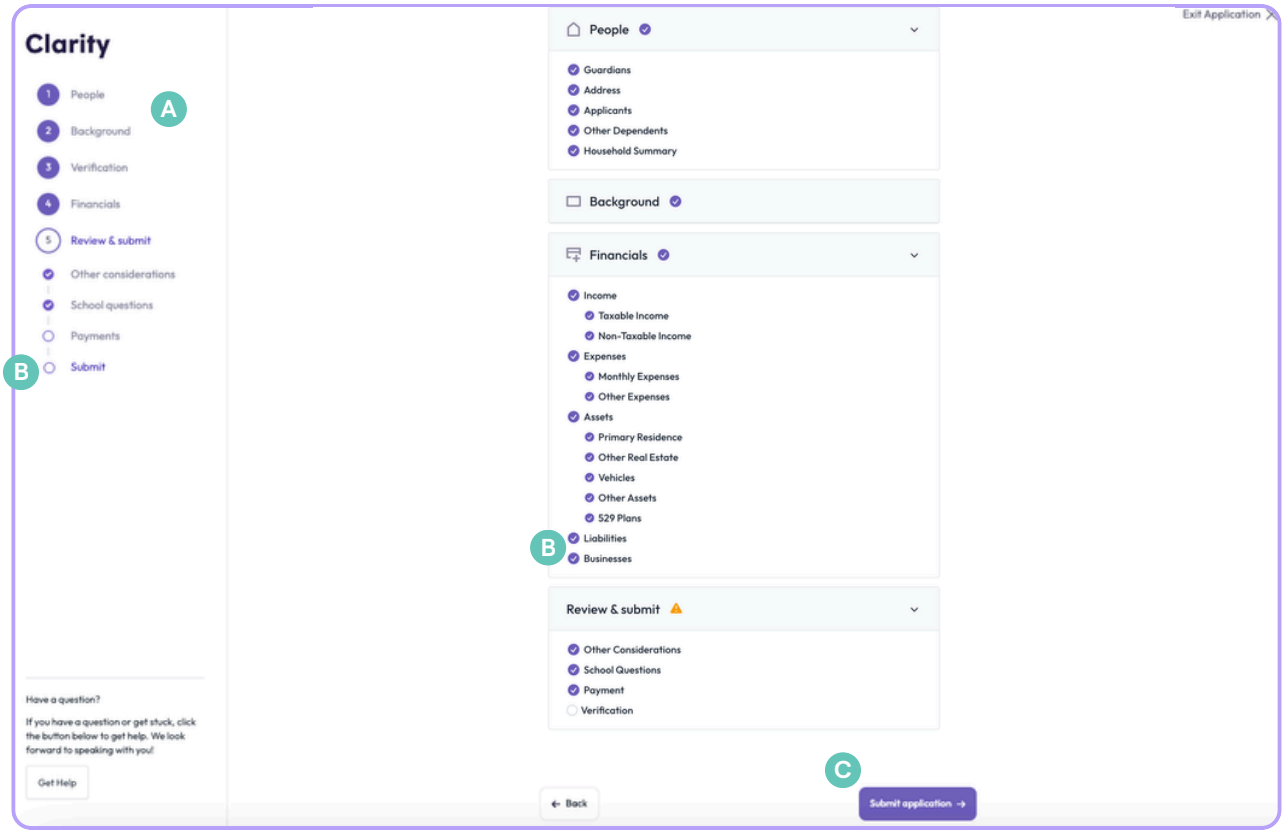

A Contact the school(s) you are applying to if you need a code to waive the application fee.

Step 4: Review & Submit

SUBMIT APPLICATION

- Use this page to review your entire application.
- Use the left navigation to jump to any part of the application that you would like to review or make changes to before submitting.
- Once you submit your application, copies will be sent to the schools to which you are applying. You will not be able to make changes to your tax filing status, indication of if you do or do not receive a United States W2 and information entered on the IRS tax verification form. Make sure you have accurate social security number(s) and exact address used for filing of your 2025 taxes to avoid errors and delays.

A Click on the name of any section in the left navigation to jump directly to that section and make changes.

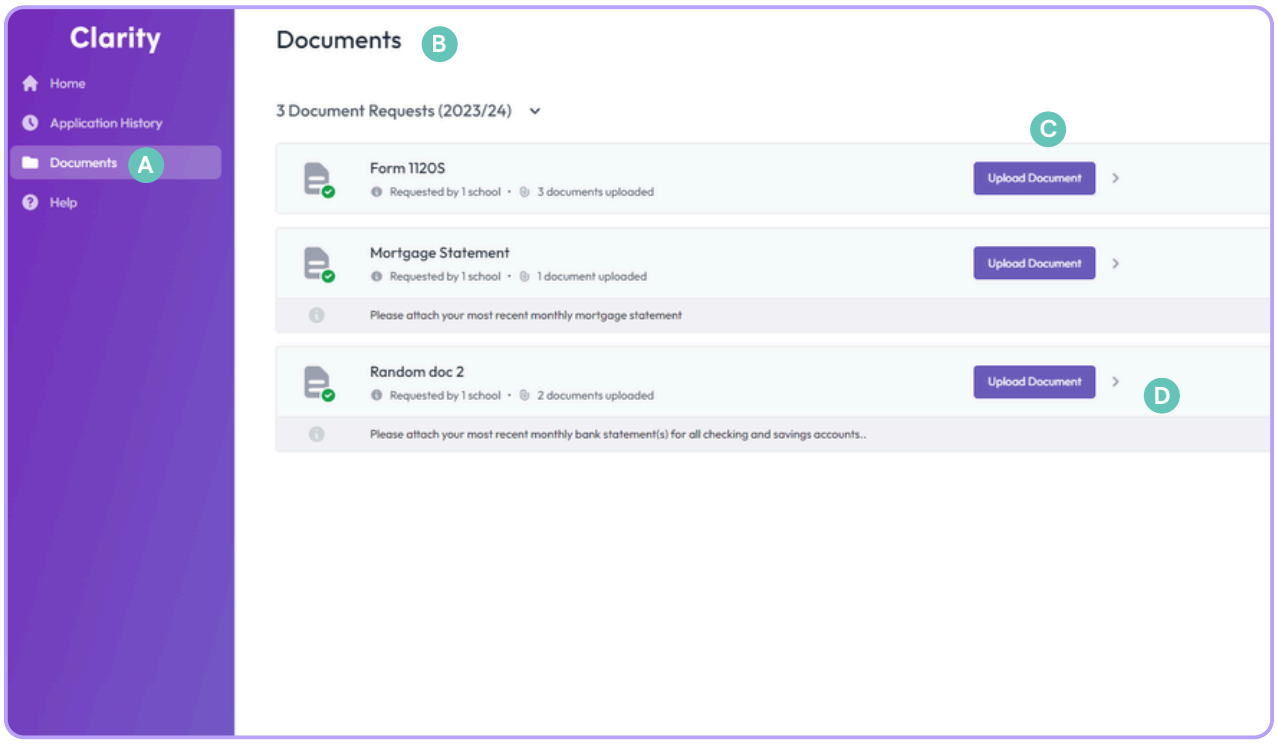

B A filled-in purple bubble containing a checkmark means that the corresponding section is complete. An empty bubble indicates that a section is incomplete. You will need to navigate to any incomplete sections and fill in missing information before you can submit your application.

C Be sure to always click "Save and continue" at the bottom of any page after making changes. If you click to jump to a different section without clicking "Save and continue" first, your changes will not be saved.

Step 5: Documentation Requests

UPLOAD ADDITIONAL DOCUMENTS

- Once your application has been submitted, you may receive requests to upload additional documents for schools.
- From your main homepage, you will be able to upload these files under the Documents section of your portal.
- If any document requests are not applicable, please reach out to the school directly and let them know.

A Click on Documents in your left menu.

B The Documents page will show documentation requests for all schools.

C Click on the "upload document" button to choose a file to upload.

D Click on the arrow to view all uploaded files and/or to delete any uploads.

Step 6: Financial Aid Notification

HEARING BACK FROM SCHOOL(S)

- Once your application is complete and you've uploaded all requested documents, schools will begin the process of reviewing your application.
- You will hear back directly from schools regarding your financial aid decision.

FREQUENTLY ASKED QUESTIONS

What is a W2?

A W2 is a wage and tax statement that you should receive from your employer that defines the income you earned, taxes that were withheld and benefits you paid into and/or were provided from your employer.

Where do I get an access code?

Please check the school's website or check with their financial aid office directly if an access code is needed to add them to your application.

Can I add another school to my application later?

Yes, you can add another school to your application after initial submission under Step 1 Student Applicants.

What is the status of my application?

You can find the current status of your application on your main homepage. If it says "submitted" and you've fulfilled all documents being requested, you should be set. If you have any questions about your status, please check with the school's financial aid office directly for any updates.

What is a Form 1040?

A Form 1040 is what individual taxpayers use to file their taxes with the IRS.

Where do I get a fee waiver?

Please check with the school's financial aid office directly. Clarity does not provide these directly.

I don't have a specific document to upload that is being requested. What should I do?

Please reach out to the school's financial aid office directly.

Can I get a refund?

Clarity's application policy is non refundable and the only exceptions that can be made is if the school is requesting this directly.

What if the IRS rejects my tax verification form?

Please refer to the email you will receive from Clarity that will outline which tax documents we will need your household to manually upload.
